## CPD

Where your regulatory body requires that the number of CPD hours of learning are recorded, both the "Pensions on Divorce – Current Issues in 2020" and the "Pensions on Divorce Workshop – Best practice in dealing with pensions on your cases" seminars will each qualify for a maximum of 3 hours 15 minutes CPD. Attendance at both seminars will therefore qualify for a maximum of 6 hours 30 minutes of CPD. Regulatory bodies for professionals working with pensions as part of divorce settlements all require that individuals maintain their ongoing competence, reflect on their current practice and identify their learning and development needs. Regulatory bodies covering professionals for whom attendance at a pensions on divorce seminar might provide useful CPD include:

- ▶ The Solicitors Regulation Authority
- ▶ The Bar Council (both the New and Established Practitioners Programmes)
- ▶ CILEX
- ▶ The Family Mediation Council
- ▶ The Chartered Institute of Insurance
- ▶ The Institute and Faculty of Actuaries
- ▶ The Pensions Management Institute

## Seminar format

- ▶ Focused on practical application rather than academic theory
- ▶ Relaxed format where questions about existing cases are encouraged
- ▶ Opportunity to discuss the most appropriate ways of dealing with pensions with fellow family practitioners
- ▶ Helps you to better understand problem areas involving pensions and to benefit from the experience of others when advising on your cases
