Your State Pension summary

[▶ Show your National Insurance number](#)

You can get your State Pension on 11 June 2050

Your forecast is £203.85 a week,
£886.38 a month, £10,636.60 a year

Your forecast

- is not a guarantee and is based on the current law
- does not include any increase due to inflation

You need to continue to contribute National Insurance to reach your forecast

Estimate based on your National Insurance record up to 5 April 2023

£166.80 a week

Forecast if you contribute another 7 years before 5 April 2050

£203.85 a week

£203.85 is the most you can get

You cannot improve your forecast any further, unless you choose to put off claiming.

If you're working you may still need to pay National Insurance contributions until 11 June 2050 as they fund other state benefits and the NHS.
